## Audiovisual and conference equipment:

### The main room offers the following equipment, free of charge:

Tripod screen, large wall screen, OHP, TV/VCR, paperboard, dance floor, stage line, modem access, Wi-Fi...

### Room layout:

The modularity of our function rooms offers a variety of possibilities in terms of arrangement and layout (theatre, U-shaped, classroom, theatre with TV fashion shows...).

170x40 tables, velvet upholstered chairs and seats, notepads, pens, stationery, conference kit (including office stationery), mineral water.

### Extra:

- Sound system
- Video-projector
- Telephone line
- Translation booths

## A unique seminar space:

Our function rooms have been specifically designed to host meetings and events for 10 to 150 persons, also to offer optimal comfort whilst facilitating organisation.

## Capacity and potential:

The "Grands Prix" room can accommodate up to 200 persons for meetings or banquets.

The three modern meeting rooms are situated on the ground floor (Monza, Estoril, and Silverstone). Offering a modular layout they are bathed in natural daylight. On the first floor of the renovated farm building two smaller function rooms also bathed in daylight, and featuring exposed beams, are available for smaller meetings.

The modularity offered by our function rooms makes it possible to adapt to many different types of events...

- U-shaped, classroom, theatre, roundtables, TV stage, fashion show ...
- For meals: oval tables, round tables, U-shaped layout...
- We can accommodate up to 500 persons for banquet meals thanks to our terraces sheltered by marquees
- Our large park is ideal for setting up temporary collapsible structures to be used as part of Incentives events and activities

## Layout of function rooms:

The rooms situated on the ground floor can be accessed directly from the hotel's private parking lot. A separate reception hall with direct access to the conference space is available to welcome participants.

Note: each mobile partition wall panel features a door, facilitating circulation between the rooms.

## We stand out from the competition:

- Largest capacity in terms of guests
- Air conditioning and soundproofing in all rooms
- Modular function rooms
- Installations suited for dance evenings and shows
- Large terraces to enjoy breaks, cocktails and meals
- Free private parking (100 spaces)
- 2 hectares park and green spaces
